

## **Filmmaker- shoot/editor**

**Beechto Beach** – is a Sussex-based company that aims to celebrate Sussex and people who make it here. We are looking for a creative, smart and efficient shoot/editor to help create a series of short films for a new venture. Initially employed on a freelance basis the work could lead to longer-term employment if the venture takes off.

A great role for someone wanting to start a career in TV/film-making – working alongside a media professional with 20+ years experience in TV.

### **Must-have skills/experience**

- Skilled camera operator – DSLR or DVcam with portfolio of varied work including documentary/factual films
- Strong attention to detail on sound – able to record with radio mics, boom and handheld
- Able to edit fast/effectively on Adobe Premiere, FCP or similar
- Ideally able to create basic graphics

### **Outlook on life**

- Great communicator – gets on well with people
- Organised – puts easy-to-understand systems in place
- Ready to experiment – likes trying out new things and asks lots of questions
- Interested in the world around you – inquisitive
- Self-starter – can work on own initiative
- Loves Sussex

### **Money**

- Down to experience and volume of work
